# **The Importance of Being Earnest**

Troika Productions proudly present Oscar Wilde's effervescent, genial comedy gem. A 'trivial play for serious people' overflowing with bonhomie and bequeathing to the English stage some of the best loved characters: Algerian Moncrieff, Jack Worthing and the indomitable Lady Bracknell.

A literary indulgence. A delight. An elegance. A satire.  
A comedy of manners... The Importance of Being Earnest.

*Directed by Stephen Barnes*
